NEWS ITEMS

Honours Received

Dr. E. J. Pratt received the honorary degree of doctor of laws and delivered the fall convocation address at Queen's University on October 16.

Professor D. G. Creighton was honoured at the Convocation of the University of New Brunswick on May 13 when he received the honorary degree of doctor of laws.

Officers Named

Dr. G. V. Fisk was elected president of the Canadian Dental Association at the annual meeting held in Saskatoon in June, and Dr. R. P. Lowery was chosen vice-president.

Professor H. M. Cassidy has been elected for a second term as chairman of the National Committee of Canadian Schools of Social Work.

Professor John S. Morgan has been appointed to the Steering Committee of the American Social Work Research Group.

Professor Albert A. Rose has been appointed to the Sub-Committee on Metropolitan Hospitals of the Ontario Health Survey; and has been elected vice-chairman of the Ontario Division of the Community Planning Association of Canada.

Professor I. W. Smith was elected Secretary of the Machine Design and Manufacturing Committee of the American Society for Engineering Education at the annual meeting of the Society held at Rensselaer Polytechnic Institute in June.

Conferences Attended

Professor John Satterly was a delegate of the Royal Society of Canada at the annual meeting of the British Association for the Advancement of Science at Newcastle-upon-Tyne in August-September and gave a paper to the Mathematics and Physics section on "Geophysical Researches in Canada."

Dean K. F. Tupper and Professors George Sinclair, I. W. Smith and O. J. Marshall attended the American Society for Engineering Education Conference, held at the Rensselaer Polytechnic Institute, Troy, N.Y., June 20-24.

Professor V. G. Smith and Mr. A. G. Ratz attended the Symposium on Large-Scale Digital Computing Machinery held at Harvard University, September 13-16. Visits to inspect other large-scale computing machines in various stages of development were also made to the International Business Machine Corporation, Massachusetts Institute of Technology, and the Raytheon Manufacturing Company.

Professor G. F. Tracy attended the annual summer conference of the American Institute of Electrical Engineers at Swampscott, Mass., June 20-24.

Dr. G. R. Lord attended the Fourth Hydraulic Conference, held triennially, of the Iowa Institute of Hydraulic Research at Iowa City, June 12-15.

Professor W. A. Wallace attended a Symposium on Diesel Engines at the University of Wisconsin, at the end of August.

The Faculty of Dentistry was represented at the first Maritime Dental Convention at St. Andrew's, N.B., held at the end of August, by Dean Ellis, who presented a paper, "The Child in Your Practice Today and Tomorrow." Drs. V. C. Fisk and D. W. Gullett also attended in their capacities as President and Secretary of the Canadian Dental Association.

Dr. Douglas Tanner attended the Northern Ontario Dental Association meeting on September 10 at North Bay, when he presented a paper, "X-ray Interpretation and Oral Surgery."

Eight members of the Faculty of Dentistry attended the annual meeting of the American Association of Dental Schools, at Chicago in June. Dean R. G. Ellis, Drs. J. Kreutzer and R. S. Woollatt presented papers. Dr. Bruce Hord presented a research report at the Sessions of the International Association for Dental Research held previous to the Teachers meeting.

Dr. R. J. Godfrey attended the Annual Fall Clinic of the Montreal Dental Club, October 19-21, and spoke on the subject of "Partial Dentures."

The American Astronomical Society's meeting held at Ottawa in June was attended by Professors C. A. Chant, J. F. Heard, R. E. Williamson and Dr. Helen S. Hogg and several senior and graduate students. The following papers by members of the Observatory staff were presented: "The opacity of the galaxy for radio-frequency radiation"

by R. E. Williamson; "Broken line guillotine factor models for late-type main sequence stars" by G. F. D. Duff and R. E. Williamson; "A search for meteoritic matter in atmospheric dust" by Donald K. Norris and Frank S. Hogg; "The variable stars in Messier 28" by Helen S. Hogg; "White dwarfs and short period light variations" by W. R. Hossack and Frank S. Hogg.

Professor R. E. Williamson lectured to the Cleveland Astronomical Society on October 7 on "Radio Astronomy," and gave a seminar on October 10 on the same subject at the Yerkes Observatory, University of Chicago.

Dr. Helen S. Hogg was the lecturer at the opening session of the annual meeting of the American Association of Variable Star Observers at Harvard University on October 14.

Professor J. A. Irving attended the Conference on the Teaching of Philosophy held at Western Reserve University, Cleveland on October 14 and 15, and presented a paper on "The Function of an Annual Conference on the Teaching of Philosophy."

Professors H. A. Innis and W. T. Easterbrook attended the conference of the Economic History Association held at Rutgers University, New Brunswick, N.J. on September 8-10.

Professor C. B. Macpherson attended the International Political Science Conference at Unesco House, Paris, on September 12-16, as the delegate of the Canadian Political Science Association.

Drs. R. R. McLaughton and G. W. Minard attended the Regional Meeting of the American Institute of Chemical Engineers in Montreal in September.

Professor C. E. Hendry was one of a group of twenty social scientists who met at Princeton University in October for their third conference on human relations, when a plan to establish Inter-Group Relations Centers in selected universities was considered. Professor Hendry recently addressed the annual conference of the Association of Children's Aid Societies of the Province of Nova Scotia at Sydney.

Professors C. E. Hendry and John S. Morgan presented papers on "Exploratory Approaches in the Teaching of Community Organization" and "Research in Social Work" respectively, at the 1949 meetings of the National Conference on Social Work in Cleveland.

Miss Doris Grotewohl addressed the National Convention of the Y.W.C.A. in Ottawa in June and later conducted a refresher course for Y.W.C.A. staff members at Morrisburg, Ont.

Professor E. McInnis was a member of the Canadian delegation to the Commonwealth Relations Conference at Bigwin Inn in September.

Professor Richard M. Saunders attended the International Conference on the Meaning of History, organized by the Ecumenical Institute and the World Student Christian Federation at Chateau Bossey, Céligny, Switzerland, in July and August. Professor Saunders read a paper on "The Coming of the French Revolution: A Christian Interpretation."

Staff Notes

Dr. Sidney Smith attended the ceremony installing Dr. W. P. Thompson as President of the University of Saskatchewan on October 8. Dr. Thompson graduated from Victoria College in 1910.

Dr. C. H. Best left on October 27 for a two month visit to South Africa, where he will lecture and collect further data in connection with his studies of choline and cirrhosis of the liver.

The Engineering Alumni Association honoured Dr. C. R. Young, who retired as Dean of the Faculty of Applied Science and Engineering on July 1, at a dinner at the King Edward Hotel on September 30, when he was presented with a Karsh portrait of himself and an automobile.

Professor W. C. Macdonald spent six weeks of the summer working in conjunction with the National Research Council at Chalk River.

Dr. George Sinclair was visiting professor at Ohio State University, Columbus, during the summer and was engaged in fundamental research on antennas.

Dr. W. G. McIntosh visited Europe during the summer under the auspices of the International Refugee Organization and the Unitarian Service Committee, and was one of a team of eight dental teachers who gave a four-week course at the University of Hamburg to 75 displaced dentists chosen from 75 displaced persons' camps across Europe.

The following extramural lectures were given recently by Faculty of Dentistry staff members: Dr. J. H. Johnson to the Bay of Quinte Dental Society and the Peterboro and District Dental Society; Dr. R. L. Twible to the Muskoka-Simcoe Dental Society; Dr. R. E. Diprose to the Essex County Dental Association.

Principal Mazzoleni will conduct the subscription concert of L'Orchestre Symphonique in Quebec City on November 6. During his visit he will also address the Quebec Women's Canadian Club.

Mrs. Gilbert Norwood addressed the Toronto Classical Club on "Hero and Leander" at Victoria College on October 27.

Professor R. D. C. Finch lectured in Wycliffe College on October 21 on the subject, "Music and Musical Instruments in the Life of Eighteenth Century England."

Mr. Michel Sanouillet has arrived from Paris to take up his duties as lecturer in French at University College.

Dean K. F. Tupper addressed the Engineering Institute of Canada (Toronto Branch) at their meeting on October 20 on the subject, "What Price Engineers?"

On October 13 at Milwaukee, Professor H. M. Cassidy gave the opening address in a series of lectures on social security sponsored by the Milwaukee Extension Division of the University of Wisconsin.

The C.B.C. program, "In Search of Citizens," in which Professor C. E. Hendry is the commentator, will be broadcast again this winter. This program was chosen to receive a Canadian radio award last year presented by Mr. Edward Johnson.

During the summer Professor Leona Massoth conducted a survey of Day Care Services for the Community Chest of San Francisco.

Professor John S. Morgan was engaged during August on a survey of provincial welfare services made under the direction of the Canadian Welfare Council for the Province of New Brunswick.

Professor Alan F. Klein conducted a series of recreational workshops for the Canadian Welfare Council in several cities of the Prairie Provinces during June.

Professor Charles F. Comfort held an exhibition of recent paintings and important earlier works, which have been borrowed from their owners, at Victoria College Alumni Hall and at the Fine Art Galleries, Eaton's College Street (until November 4th).

Faculty and Department Notes

Mr. Edson L. Haines, newly appointed Associate in Trial Practice, and a group of demonstrators who are members of the practising profession, are undertaking a new venture in the School of Law. They will give lectures and demonstrations on the actual work of the courts and students will eventually be required to do three weeks of intensive observation of actual court work. It is hoped in this way to bridge the gap between law school work and the actual practice of law. Mr. V. Evan Gray, K.C. has been appointed special lecturer in the Law of Insurance. Mr. Gray formerly carried on active practice in insurance and was a Superintendent of Insurance in Ontario.

Next term, the Department of French will have as Visiting Professor of French, Professor René Bray of the University of Lausanne. Author of many scholarly articles on the history of French literature, and of a number of works of criticism, Professor Bray has also edited the writings of the historian Michelet and the dramatist Molière.

At a seminar in the Department of Physics on October 13, Dr. E. C. Bullard spoke on "Submarine Heat Flow." Dr. W. B. Lewis, Chalk River, lectured in the same department on October 24 on "Recent Work at Chalk River."

Mrs. Helen Perlman of the University of Chicago conducted a workshop on Supervision at the School of Social Work on October 14 and 15.

Professor J. D. Mackie of Glasgow University was a visitor to the Department of History during the week of October 17.

Appointments, Promotions, Retirements

In the Faculty of Applied Science and Engineering, Professor W. G. McIntosh of the Department of Mechanical Engineering has been promoted to the rank of full professor. W. A. Wallace has been promoted to assistant professor in the same Department. Also promoted to assistant professor is G. R. Edwards in the Department of Engineering Drawing. The appointment is announced of W. F. Graydon as Assistant Professor in the Department of Chemical Engineering. Professor Graydon has just completed his Ph.D. Degree after three years spent at the University of Minnesota.

Dr. J. F. Heard has been promoted from assistant professor to associate professor in the Department of Astronomy.

Christopher Wood, formerly of the violoncello faculty, has been appointed the Conservatory's local representative in Montreal.

The following appointments and promotions have been announced in the Faculty of Medicine: Dr. R. E. Haist and Dr. Frieda Fraser, both graduates of Varsity, have been promoted to the rank of full professor; Drs. W. H. Brown, H. H. Hyland and J. L. McDonald are now associate professors, and Drs. C. L. Ash, E. S. Coranson and F. G. Kergin have been named assistant professors.

E. McInnis has been promoted to the rank of full professor in the Department of History and J. M. S. Careless to the rank of assistant professor. G. Bennett and H. Nelson have been appointed lecturers in the same department.

Miss E. Ray Godfrey, former field supervisor on the staff of the School of Social Work, who spent the past year in graduate studies at the University of Chicago, has been appointed lecturer in Social Work. The following are new appointments to the staff of field supervisors in charge of field work units: Reginald Bundy, Miss Dorothy E. Card, Miss Helen DeMarsh, Mrs. Laura M. Doyle, Mrs. Helen Palca, Miss Dorothy Segal.

Australian musical news and musical digest.

Ballet and opera.

Caecilia; a catholic review of musical art.

The Chesterian.

Composers and authors of America.

Con brio, the Scottish music magazine.

Educational music magazine.

Experientia: revue mensuelle des sciences pures et appliquées.

The Galpin Society journal.

Hallé music magazine.

Journal of musicology; a quarterly to publish reports of research in the field of music.

Journal of polymer science.

Madras Music Academy journal; a quarterly devoted to the advancement of the science and art of music.

Methodos. Quarterly review of methodology and symbolic logic.

Modern review. (American Labor Conference on International Affairs.)

Musician; for musicians, music-lovers, teachers and students.

Music reporter.

Music review.

Music Teachers National Association: Bulletin.

National bureau of economic research. Publications.

Philharmonic post.

Revue Suisse de zoologie.

Sather classical lectures.

Southern folklore quarterly.

The Strad; a monthly journal for professionals and amateurs of all stringed instruments played with the bow.

Symphony.

Violins and violinists.

Who? Art, music, literature.

Young Men's Christian Associations. Year book.

Royal Canadian Institute exchanges recently added to the University Library catalogue:

Brno. Masarykova universita: Lékařská fakulta. Spisy.

Brno. Masarykova universita: Přírodovědecká fakulta. Spisy.

Society of antiquaries of Scotland. Proceedings.

Uspekhi khimii.

Uspekhi sovremennoi biologii.

Zoological Society of Bengal. Proceedings.

Books Published

Mr. Ames Against Time, by Philip Child (Ryerson, \$3.).

The BULLETIN is published monthly during the academic year by the Publicity Department, Room 226, Simcoe Hall (MI 6611, local 51). Members of the Staff are requested to send items by the 20th of each month for the following month's issue.
